BUDGET CUTS AND LAYOFFS

On Wednesday, January 10th, Queens College [fired 26 full-time faculty on substitute lines](#) without notice just before the start of the spring semester. Additionally, about [18% of class sections have been canceled at York College](#), or 275 out of 1,513. PSC President James Davis sent an email to members at 9 colleges last week [detailing the PSC's opposition to new budget cuts](#).

These last-minute cuts are [nothing new for CUNY](#), as management has shown again and again their disdain for the lives and material realities for students and workers. A press conference about the latest cuts will be held on **Friday, January 19th at 10am at BMCC**. Folks can register [here](#) for the press conference.

Strike School

CUNY Strike School will be held at the GC on **Friday, January 26th from 6-7:30pm** with in-person and zoom options. Food and childcare will be provided. Folks interested should make sure to [register](#) here to receive the zoom link and location!

In the interim, check out the [CUNY On Strike website](#) and [Twitter/X](#), and reach out to cunyonstrike@gmail.com with any questions.

Bargaining Update

While we haven't had a bargaining session with CUNY management since October 26th, new bargaining sessions have been [announced](#):

- **Friday, Jan 26th**, 2:30-5pm
- **Wednesday, Feb 7th**, 1-5pm
- **Thursday, Feb 29th**, 1-5pm

As a reminder, members can observe a bargaining session, but must first [attend an orientation](#).
